FREE METHODIST WORLD MISSIONS
makes disciples by **mobilizing the global church** and
empowering international leaders to **establish**
transformational churches.

**Mobilizing the Global Church
through Missionary Support**

Free Methodist missionaries extend the mission reach of the FMCUSA into all of the world. Most often, their primary purpose is to serve international leaders as they seek to establish the Free Methodist Church in their own countries. In their disciple-making role, our missionaries contribute to church planting movements, leadership development, and where appropriate, pioneer new work.

**Empowering International
Leaders to Establish
Transformational Churches
through Church Planting &
Development**

Free Methodist financial resources are focused on developing leaders, churches and ministries. **Church Planting & Development** contributions resource these priorities:

- empowering fruitful and emerging leaders through training and spiritual support
- establishing life-giving and multiplying churches for new and existing believers
- fueling transformational ministries to expand education, alleviate poverty, fight for justice and bring wholeness
